

Professional Learning Options

Overview

AVID Path to Schoolwide is a professional learning opportunity for educators in schools or districts who want to deepen AVID on their campus. The training focuses on implementing AVID WICOR (writing, inquiry, collaboration, organization, and reading) strategies in **all classrooms**.

Based on the teacher-developed, classroom-proven AVID College Readiness System, AVID Path to Schoolwide provides rigorous, sequential curriculum that promotes student achievement at the highest levels.

Two-Day Trainings for Elementary and Secondary Educators and Administrators

Led by AVID Staff Developers, these in-depth trainings offer strategies, curriculum guides, and materials to educators who want to help students fulfill their potential and succeed in college. All participants receive the applicable AVID curriculum guide(s) for their training.

Regional AVID Path to Schoolwide	District AVID Path to Schoolwide
AVID Path to Schoolwide trainings are scheduled by AVID Center and may include educators from multiple districts. Training focus areas are pre-selected and may include elementary or secondary.	Elementary, middle, or high school districts may contract with AVID Center to provide AVID Path to Schoolwide trainings for educators in their district. Districts customize the training by selecting the focus areas to be offered. Districts may also host other districts as part of their Path trainings.
