Leverage Federal Funding to Support AVID

Here's how AVID districts and schools have applied federal funds to ensure that all students succeed with AVID.

TITLE I

Part A: Improving Basic Programs Operated by State and Local Educational Agencies

AVID improves students' academic achievement across all subject areas by raising the level of rigor and equipping students with skills to tackle complex issues, problems, and texts. The flexibility of Title I funds make them an ideal source for funding AVID.

AVID Funding Recommendations:

- Membership fees
- Curriculum and resources
- Professional learning and related travel
- Salaries
- Tutors
- AVID Elective field trip activities

TITLE II

Preparing, Training, and Recruiting High-Quality Teachers, Principals, and Other School Leaders

AVID increases student access to effective education by providing targeted professional development to increase teachers' pedagogical skills and train them in engaging and culturally competent strategies for student learning.

AVID Funding Recommendations:

- AVID professional learning
- Travel to Summer Institutes, Path to Schoolwide, and AVID District Leadership trainings
- Tutor training

TITLE III

Language Instruction for English Learners and Immigrant Students

AVID supports effective teaching and learning for all ELL students by offering a dedicated academic acceleration program and incorporating language-learning strategies into all instruction.

AVID Funding Recommendations:

- AVID Excel
- Professional learning for AVID Excel teachers
- Professional learning for content-area teachers (e.g., Academic Language and Literacy)

TITLE IV

Part A: Student Support and Academic Enrichment Grants

AVID develops well-rounded students and prepares them for college and careers by offering academic and social support, as well as increased access to rigorous courses.

AVID Funding Recommendations:

- AVID Elective activities promoting college and career awareness
- Professional learning for leadership and counselors
- Curriculum and resources

Funding recommendations are based on work with current AVID districts. All funding allocations should be vetted and approved through the appropriate district federal programs office.
