Goals of AVID’s College Readiness System

Accelerate underachieving students who have potential into more rigorous courses

Teach academic and social skills not targeted in other classes

Provide intensive support with in-class tutors and a strong student–teacher relationship

Create a positive peer group for students

Develop a sense of hope and personal achievement through hard work and determination

Some results may be masked due to small numbers to protect student confidentiality.

1,539 Colorado teachers, administrators, and counselors were AVID-trained in 2018-19.

"In my 29 years as a teacher and administrator, I have never seen a program that transforms a school and a school community more than AVID! Everything we do and everything we are is because of our focus on the AVID strategies and AVID training. I cannot imagine leading a school that does not have AVID at its core; it works with organization, focus, leadership, curriculum, pedagogy, collaboration, and more."
