Goals of AVID's College Readiness System

Accelerate underachieving students who have potential into more rigorous courses

Teach academic and social skills not targeted in other classes

Provide intensive support with in-class tutors and a strong student-teacher relationship

Create a positive peer group for students

Develop a sense of hope and personal achievement through hard work and determination

AVID National Demonstration Schools are exemplary models of the AVID College Readiness System.

Demonstration Schools undergo a rigorous validation process and are required to be revalidated every few years to ensure high levels of implementation, with quality and fidelity to AVID strategies schoolwide.

390

Idaho teachers, administrators, and
counselors were AVID-trained in 2018-19.

"Since implementing AVID, Vallivue now has an additional 800 learners who see themselves as college-bound students and all of them are taking college-prep curriculum, including more AP® courses. Since employing the AVID System five years ago, over 400 teachers have been trained in the use of AVID teaching strategies. Student achievement is showing some gains as well, with a 7 percent increase seen in last year's SAT® scores."

— Superintendent,
Vallivue School District
