Minnesota teachers, administrators, and counselors were AVID-trained in 2018-19.

"AVID is a cornerstone in our efforts to increase the percentage of our students who are college-bound. For students in AVID, the skills and experiences they gain truly change the trajectory of their lives.

However, the impact goes well beyond the students in AVID. Schoolwide, the WICOR instructional strategies have benefited every single student in the school. Our AVID students represent our entire school community and shine a positive light on education as a whole."
