SES US Comparator Data updated through 2016-17 school year.
U.S. Census Bureau. (2019). Table 7. Enrollment status of high school graduates 15 to 24 years old, by type of school, attendance status, and sex: October
Some results may be masked due to small numbers to protect student confidentiality.

9,847 Texas teachers, administrators, and counselors were AVID-trained in 2018-19.

“Not only have we seen the rapid gains in achievement among our students in the AVID Elective, but we have also created a college-going culture from K-12. When our leadership team reviews our summative data and discusses solutions to our challenges, AVID always emerges as the answer. We have adopted the system’s approach, and every child within our district benefits from the schoolwide, districtwide emphasis.”

— Assistant Superintendent,
Connally Independent School District
