Goals of AVID’s College Readiness System

Accelerate underachieving students who have potential into more rigorous courses

Teach academic and social skills not targeted in other classes

Provide intensive support with in-class tutors and a strong student–teacher relationship

Create a positive peer group for students

Develop a sense of hope and personal achievement through hard work and determination

Virginia teachers, administrators, and counselors were AVID-trained in 2018-19.

“AVID is not just about changing students’ lives—it’s about changing families’ lives, putting future generations on a path for success. At parent meetings and in the community, parents would seek me out to let me know that they were inspired to go to college because of what their child was learning in AVID and that they were learning and implementing AVID strategies and finding success.”
